PERMIT SYSTEMS

oxcartpermits.com

Good governance of local permits should:

- Protect public & infrastructure
- Provide statutory compliance
- Promote profitable trucking
- Procure reasonable fees

Local permitting is an unfunded mandate.

Building communities requires OS/OW trucks…

OS/OW trucks require local permits…

Local permits must be in written form…

Written permits requires systems & people…

Systems & people cost money

What costs industry more?

The process/delays when obtaining local permits?

- OR -

The actual cost of the permit?

Industry Expectation

Rapid response to permit apps

Online solution

Reasonable pricing

Credit card payments

Local Government Constraints

No dedicated manpower/remote

Integrated systems are expensive

No constraint

Cost prohibitive

LOCAL PERMIT STRATEGIES

System Management	Issuance Authority
Local managed	Local issued
State managed	State issued
Private managed	Private issued
Private managed	**Local issued**
